Reporting that I have found multiple Patriot Front stickers placed across campus this morning. It is unclear when they were placed, but some look very recent (I noticed three after 10:15, which I did not see when walking past the same locations at 9:00).

Patriot Front is a violent neo-Nazi/white supremacist group that is active in Westminster.

Attaching photos here. I was able to peel one off and have it in my office [REDACTED]. Sending from my personal email on my phone, my McDaniel email is CC'd.

Thanks,

[REDACTED]

Sent from Gmail Mobile (Please pardon my brevity)

In the email were photos of the stickers [REDACTED] referred to, which were all located in the general area of McDaniel Circle. I did a canvas around campus property, and only found one sticker not included in the original email.

All stickers found had "Patriot Front" written on it.

I attempted to remove the stickers from all places they were found; however most could not be taken off cleanly. I took off as much of the stickers as possible without damaging the signs or poles below them, so none of the sticker's pictures were left for view.

(U//~~FOUO~~) On 3 July 2021, FBI Philadelphia was advised by the PPD and [REDACTED] that members of PF were conducting first amendment protected activity, marching through Philadelphia holding shields, banners and flags. The group walked from the vicinity of the Philadelphia Art Museum, southeast on the Benjamin Franklin Parkway, twice marched around Philadelphia City Hall and made its way east on Market Street to Independence Mall, where they proceeded south to Chestnut St. The group then walked east on Chestnut Street, south on 3rd Street and east on Walnut Street over the walkway crossing Delaware Avenue. The group returned to the Penske moving box trucks parked at the Seaport Museum on Delaware Avenue.

(U//~~FOUO~~) Upon entering the vehicles, the three trucks departed north on Delaware Avenue. The vehicles were stopped by PPD in the vicinity of 200 N Delaware Avenue for safety violations due to the occupants in the cargo hold of the trucks not having seats or seat belts or air circulation. PPD reports stated the occupants were transported by SEPTA to their personal vehicles parked in the area of Aramingo Avenue and Castor Avenue in Northeast Philadelphia. No traffic citations were issued and no other participants were identified.

(U//~~FOUO~~) According to PPD Vehicle/Pedestrian Investigation Reports, the three Penske trucks were operated by the following individuals:

[REDACTED] stated that he responded to a Radio Call for a crowd at 2500 Spring Garden St., and observed a group of approx. (150) people with banners and flags marching in front of the Phila. Art Museum at Eakins Oval. The group was determined to be the "Patriot Front."

The "Patriot Front" marchers proceeded East from Eakins Oval to Love Park, and continued on to City Hall.

The march went around City Hall two (02) times and proceeded eastbound on Market Street.

The group marched across the park to Independence Hall.

The group marched eastbound on Chestnut St. from Independence Hall to 3rd Street, southbound on 3rd Street to Walnut Street, and then eastbound on Walnut St. and over the walkway to Delaware Ave.

The group boarded trucks on Delaware Ave in front of the Seaport Museum, with many members of the group getting into the rear cargo areas of the trucks.

The trucks drove northbound on Delaware Ave and were stopped at 200 North Delaware Ave. for safety violations associated with transporting passengers in the rear cargo area.

Vehicle / Pedestrian Investigation Reports were prepared for (04) members of the group who were operating the trucks or occupying the cab area.

No Traffic Citations (TC) were issued.

No other members of the group were identified.

The members of the group were transported via South Eastern Pennsylvania Transportation Authority (SEPTA) from 200 North Delaware Ave to their vehicles, parked at Aramingo / Castor Aves.

The Mayor forwarded your email to the PD and we are completing the case report and forwarding to our detectives. You handled this perfectly.....by documenting via pictures and locations, then immediately removing the signs. You can report this type of matter through the non-emergency dispatch (206) 296-3311, and an officer will come and handle all the needed documentation, and call out the public works department to remove. Thank you for being so proactively involved with protecting our City.

MVPD Team,

Please see [REDACTED] email below and review the attached photos he provided. Please keep your eyes peeled for these in or around town. Document all, notify public works for "immediate" removal and send me your case number. Thanks!

Hi Sean,

Wanted to make you aware of 3 large neo-nazi posters glued to utility boxes, one near Taco Time, and two near Safeway. I removed them, and also removed 6 smaller stickers on street signs and lights poles, and 4 anti-vaccine flyers that were located on the same light poles as the stickers near the KFC.

I would like the you and City Council to be aware that Patriot Front is actively placing this trash around our City. If you're not familiar with them, they are a neo-nazi / white nationalist hate group. Please do with that information what you will.

I will continue removing any other items I find, as well as report them to the Anti-Defamation League. I will not allow this filth to propagate in this community.

Pictures are attached.

Thanks,

PATRICK J. BUCHANAN

The DEATH of the WEST

How Dying Populations
and Immigrant Invasions Imperil
Our Country and Civilization

SKYROCKETING THIRD WORLD POPULATIONS
COLLAPSING BIRTH RATES IN THE WESTERN WORLD
A CULTURAL WAR DESTROYING AMERICA'S FREEDOM AND HERITAGE

*What **The Death of the West** foretells is astonishing:*

- * Not a single European country—save Moslem Albania—has a birth rate that will enable it to survive in its present form through this century. By 2050, only one-tenth of the world's people will be of European descent, and it will be the oldest tenth on earth, with a median age of almost fifty.
- Russia, already in a terminal population crisis, will, by 2050, be driven out of Central Asia by Islamic invaders and lose huge slices of Siberia and her Far East to a China fifteen times as populous.
- There are 30 million foreign-born in the United States today, and between 9 and 11 million illegal aliens—as many illegals as there are people in Rhode Island, Massachusetts, and Connecticut combined.
- America is losing the cultural war. Militant paganism is crowding out the old faiths. Separatism is triumphing over integration. The melting pot has become a salad bowl. And the impact upon American society, politics, and culture will be devastating.

In an even-handed, thoughtful tone, Patrick J. Buchanan documents the sea changes that have already begun to take place in our society.

The Death of the West is a timely, provocative book that asks a question that quietly troubles millions: Is the America we grew up in gone forever?
